WELCOME TO LINGERIE STYLING

Our packages have been created to offer clients professional advice on how to find and wear lingerie that not only fits your size but will also enhance your shape.

With so many different styles and shapes of underwear, our expert stylists will help you to analyse your body shape and find out your true lingerie needs and expectations.

As lingerie plays such a part in the shape of outerwear, our essential advice will ensure your wardrobe holds the essentials for every outfit.

Bespoke packages can be tailored to incorporate a combination of packages if desired.

BRIDES TO BE (..AND MOTB!)

With so many wedding dresses, it is impossible to know where to start, so we say always start from the inside out. While many brides leave their lingerie to the last minute, it is one of the most essential layers you will wear on your big day.

By discussing the different styles of lingerie available for you, this can help direct you to the style of dress you should wear.

A honeymoon trousseau is one of the better kept secrets, and our advice on some essentials will make sure you start of feeling confident!

Mother of the bride and bridesmaids can also be included

PACKAGE INCLUDES:

- Welcome and refreshment
- Styling benefits – why worry about lingerie?
- Body profiling
- Lingerie styling –size assessment and bridal style guide
- Honeymoon essentials
- Mother of the bride/bridesmaids
- Gift bag

MUMS THE WORD

(MATERNITY LINGERIE STYLING)

With the constant and immense changes to your whole body, your breasts will go through a lot of changes. The correct fitting bras can make a lot of difference to your daily comfort and self confidence. In this one to one private session, I will identify the lingerie you will need throughout your pregnancy, from non-wired maternity bras to breastfeeding bras. Our range of maternity accessories from baby belts to breast pads will make sure when it comes to packing your bag you'll definitely be prepared. Breastfeeding can place big demands on your lifestyle but the new ranges of nursing bras mean you won't have to put style on hold any longer.

An initial fitting consultation (3-4 months), review (6 months) and preparing for breastfeeding (9 months) will be included.

PACKAGE INCLUDES:

- Welcome and refreshment
- Think comfort!
- Prepare for pregnancy
- Lingerie styling
- Create lingerie wardrobe
- Packing your hospital bag
- Book review appointment at 6 and 9 Months
- Pregnancy Gift bag
